Dear Parents/Carers

Welcome back to term 5 and I am delighted that the sun is shining! I hope you all had a fantastic break, the children have come back ready to learn and are getting stuck into their topics. We had fun in year 1 this week learning about Stick Man and the children enjoyed spending time outside making their own. Year 2 have started their Saints topic and have been learning about Thomas Beckett and in year 5 they have been learning about the Victorian Empire. EYFS will be looking at plants and minibeasts so let's hope that the good weather continues.

We have already attended a tennis tournament and Mr Hayes reported that the children were 2 points off the semi-finals - what a great effort!

Books for Accelerated Reader

Miss Horton was very busy during half term sorting the school library for the launch of Accelerated Reader. A big thanks also to Mrs Nicola Watson who was her able assistant. If you have any high quality texts at home that your child may have outgrown/no longer reads, could you kindly donate these to the school library to help build our stock of books for Accelerated Reader. Please check with Miss Horton if you are unsure if the texts are suitable. Thank you

Ofsted/Accelerated Reader Talk for Parents

There is lots going on in our school at the moment and we are keen to keep parents updated. Myself and Miss Horton will be running a parents session in the school hall on Wednesday 25th April at 9am to talk through our recent Ofsted visit and how Accelerated Reader will be used across years 2-6. Hope to see many of you there.
