School

TERM 4 2018  
CLASS NEWSLETTER

## What's going on in Falcons Class this term?

**Welcome back to the second half of the Spring Term. It is hard to believe that it has been nearly two months since Christmas and we are now half way through the school year!**

### Walk Like an Egyptian

Our overarching theme this term is all linked to Ancient Egypt and much of the learning that takes place in other subjects will be cross curricular and link to the topic wherever possible.

If there are any questions or issues you have or would like to know how to help your child at home, please don't hesitate to see me at the classroom door at the end of school or book an appointment via the office.

### English and Maths

Our English lessons will be linked to our topic this term as always. We will be researching and finding information about Ancient Egypt; where it is, how we know about it and how King Tutankhamun's tomb was discovered. Different texts we will be studying and writing will include a travel brochure, newspaper report, a journal, an explanation text and an adventure story.

The areas of Maths we will be learning this term are shape, angles, measurement with converting units and area and perimeter.

Each week we will also be focusing on times table, mental maths practice and reasoning SATs style questions too.

### Other Subjects

Science: The body

History and Geography: Ancient Egypt

Art: Painting and making canopic jars

PE: Paralympic sports and striking and fielding

RE: Christianity

ICT: We are advertisers

### Home Learning

The format will continue to be the same as the past two terms and will consist of activities to choose from on a grid based around our topic. The children will be responsible for completing a task each week and then bringing them in just before the end of term. We would also welcome as much support in reading with your child at home, learning times tables by heart and practicing mental maths skills too.

### PE

PE sessions will continue to take place on a Tuesday and Thursday.

PE on a Tuesday will be indoors and so the children need to ensure they have shorts and plimsolls. On Thursdays, PE lessons will be outside so children will need to ensure that they have something warm to wear for outdoor sessions such as leggings or jogging bottoms, a sweatshirt or hoody and trainers.

If your child wears earrings, they are responsible for taking them out just before the session and looking after them. If they cannot remove them, they should be taken out at home

**Thank you for your continued support**
